11 February 2020

Dear Parent/Guardian,

### COMMEMORATION OF TOTAL DEFENCE DAY

Our school will commemorate Total Defence Day on **Friday, 14 February 2020**. We have planned programmes for our students and we are seeking your support in making it an educational and memorable day for them.

The highlight of the Total Defence Day Commemorative programme is a simulated electricity cut-off and food rationing exercise, which aims to enable our students to better understand the sufferings our forefathers had to endure during the Japanese Occupation. Electricity supply in all classrooms will be cut off for 4 periods from 7.45 a.m. till 8.45 a.m. In addition, the canteen will only sell sweet potato porridge, sweet potato soup and bottled mineral water during recess. On that day, sale of usual canteen food will only resume after 11.45 a.m.

Please ensure that your child has his/her breakfast before coming to school. We would appreciate it if you could refrain from packing food for your child on 14 February 2020 and encourage your child to participate in the food rationing exercise.

We look forward to your continued support.

Thank you.

Yours faithfully,  
Ms Tan Poh Suan  
Subject Head Of National Education / Value In Action  
Character and Citizenship Education (CCE) Department
