NQHPS/2021/027

24 June 2021

Dear parents,

Term 3 School Reopening

Warmest greetings from the Qihua Family! Trust that you and your family are keeping well and looking forward to coming back to school.

Learning Mode of Different Levels in the First Two Weeks

As announced by MOE on the staggered resumption of school in Term 3, please refer to the following arrangement for our P1 – 6 students:

Term 3 Week 1

Mode	Level	28 June (Mon)	29 June – 2 July
HBL	P1	Online SIR on SLS platform (1 hr) + SLS lesson package	SLS lesson package
HBL	P2 – 3	Online SIR on Zoom (1.5 hr) + SLS lesson package	SLS lesson package + Live lessons
F2F	P4 – 6	SIR in classrooms	Classroom lessons

Term 3 Week 2

Mode	Level	6 July (Tue)	7 – 9 July
F2F	P1 – 3	SIR in classrooms (1.5 hr) + Classroom lessons	Classroom lessons
F2F	P4 – 6	Classroom lessons	

HBL: Home-Based Learning

F2F: Face-to-face learning in school

SIR: Start-It-Right programme

Home-Based Learning (HBL) for P1 – 3 students on the first week of Term 3 (28 June – 2 July)

- Please refer to the attached info sheet for the HBL schedule, instructions and support for your child to be engaged in learning at home.

Student Wellbeing during PE lessons

Considering the physical fitness and health status of the students after a long break, please rest assured that the physical activities will be introduced progressively and at an appropriate level. Our PE teachers will also pay extra attention to **students who have gone for vaccination recently** by:

- Excusing students from PE lessons, if they have gone for a vaccination dose within the past one week from the day of the PE lesson. Please advise your child to alert the teacher accordingly.
- Reminding students to inform the PE teacher immediately if they develop chest pain, shortness of breath on exertion or abnormal heart beats, if they have had a vaccination dose more than one week ago.

Assessment Matter

In view of the FHBL which started on 19 May -28 May 2021, which caused the HMTL to be pushed back to Term 3, P6 students who are taking Higher Mother Tongue Languages (HMTL) will be taking the HMTL paper on **30 June (Wed)**.

The Mid-Year result slips (Report Books) for P1 – 6 students will be released on 9 July (Fri).

Safety and High Standards of Personal Hygiene

All students who are reporting back to school are expected to maintain high standards of personal hygiene. We will continue to ensure that SMMs are in place to keep our students safe. Please help to ensure and remind your children on the following:

- Carry the **TraceTogether (TT)** tokens with them throughout the school day to facilitate contact tracing. If your child does not have a working TT token, please collect/exchange for a working token at the nearest Community Centre for your child before school reopens.
- They must wear **fitting masks (preferably surgical masks with filtration level of 95% or better)** at all times except when eating or drinking. When their masks are off, they should not be talking.
- They should continue to wipe down surfaces after use, e.g. canteen tables, classroom desks.
- They should wash their hands frequently with soap, and use hand sanitisers.

Keeping the School Safe

Should your child or any household member be in any of the following situations, please take note of the follow-up actions required:

- If your child or any household member (6 years old & above) is unwell with flu-like symptoms, please keep your child at home and only let him/her return to school if your child or the household member is tested negative for COVID-19 (via ART or PCR).
- If your child has been on MC due to flu-like symptoms and is unable to produce evidence of a negative COVID-19 test result (ART or PCR) by the end of his/her MC, he/she will need to stay away from school for an additional 5 more days after the date of expiry of the MC.
- If your child or any household member is under any of the situations below, please inform the school immediately and your child should not come to school:
 - Tested positive for Covid-19
 - Placed on Quarantine Order (QO)
 - Placed on Stay-Home-Notice (SHN)
 - Required to go for Mandatory COVID Testing (except for Rostered Routine Testing)

As an added layer of protection from 28 June onwards, all students **travelling on school buses** will be **visually screened, have their hands sanitised and also have their temperatures taken by the school bus operators before boarding**. If the body temperature exceeds 37.5 degree Celsius, they will have to return home with their caregiver and seek medical advice. In addition, the students will also be told to sit in assigned seats with minimal interaction with other students while on the bus.

Similarly, as a precautionary measure, all **face-to-face CCAs** will only gradually resume from Week 5, depending on the national posture on the COVID situation. Prior to that, **E-CCA will resume from Week 2**. Please also note that the remaining National School Games fixtures will be cancelled.
