30 June 2021

Dear Parents/Guardians of Primary 5 Students

Welcome back after the June holidays! We hope that everyone is well-rested and managed to spend some quality time with your loved ones.

Attendance and Punctuality

Punctuality helps build positive character in your child. Students who attend school regularly are more likely to achieve better results in school. It is important that your child/ward attends school regularly to ensure that he/she is able to keep up with the daily lessons and assignments. Please ensure that your child/ward is in school by 7.20 a.m. every day. However, if your child/ward is ill, do bring your child to the doctor for treatment. Please submit the medical certificate to the teacher on the day he/she returns to school.
