Attendance

Students who attend school regularly are more likely to adjust better and do well in school.

Irregular attendance will affect a child as he/she may not be able to keep up with daily lessons and assignments. Should your child/ward be unwell, do consult a doctor and hand in the medical certificate to the teacher on the day when he/she returns to school. Do note that absences that are not covered with a medical certificate or not categorised under 'Approved Absences' will be recorded as absence with no valid reason.

Punctuality

Students are reminded to report punctually by 7.25 a.m. every day. We seek your partnership in instilling the value of punctuality in our students as it is a life skill. Punctuality also reduces anxiety and helps a child feel good at the start of the day. Do note that should your child/ward be late for at least five times a semester, he/she will receive a notice which may result in more serious consequences if your child/ward persists to be late subsequently.

Thank you for your continued support and let's look forward to a memorable term 4 to end the year.

Warm regards,

Mdm Sofiyanny Mansol

Assistant-Year Head [Upper Primary]
