Dear Parent/Guardian,

SYFGOESONLINE!
CELEBRATING THE RESILIENCE OF OUR YOUTH

In light of the COVID-19 situation, this year's Singapore Youth Festival (SYF) will be held virtually to enable students to continue engaging in the arts even as they stay at home. Themed 'Celebrate the Resilience of Our Youth' and taking on the hashtag #SYFgoesOnline, the 2020 festival will provide students the platform to showcase their creativity and artistic talents through online activities and projects that involve art, dance, music and drama.

From 24 April to 31 July, students can participate in a series of online activities grouped under five strands: 'SYF Stays Home', 'Pixel Perfect', 'The Virtual Stage', 'The Youth Station Project' and 'Artist and Technology: The Online Art Exhibition'. Shortlisted student submissions and post-production videos of these activities will also be featured on SYF's social media pages.

For up-to-date information on SYFgoesOnline!, including the dates of the open calls and requirements for student submissions, please visit the SYF digital platforms listed below:

Yours sincerely,
