D. Attendance and Punctuality

Students who attend school regularly are more likely to achieve better results in school. It is important that your child attends school regularly to ensure that he/she is able to keep up with the daily lessons and assignments. Please be consistent in sending your child to school and do ensure that he/she is in school by 7.20 a.m. everyday. Punctuality helps build positive character in your child. However, if your child/ward is ill, please bring your child to the clinic for treatment. Please pass the medical certificate to the teacher on the day he/she returns to school.

E. After School Programmes for P1

Remedial and enrichment classes will continue in Term 2. Your child/ward will be given a consent form if they are selected to attend the classes. Details of these programmes will be made known through subsequent letters from the relevant departments.

Do let us know if you have any concerns or queries about this matter.

Thank you for your continued support. Please do not hesitate to contact me at 6269 6250 or juliana_johari@moe.edu.sg if you have any queries or concerns.

Yours sincerely,

Mdm Juliana Johari
Year Head (Lower Primary)
